- Return the completed application, together with a copy of the applicant's Birth Certificate or passport to Razi School with the appropriate **nonrefundable** filing fee. Families should prove a copy of the student's most recent report card and/or transcript. (Filing Fee: New Students \$150 – Returning Student: \$50)
- **All applicants for Kindergarten and above must take the placement test. Kindergarten applicants must be five years old by December 31st to be eligible for admission** and will be tested to determine their readiness for school learning. The placement test is to determine the student's achievement in English language and mathematics.
- Admission decisions are made by the school's administration as soon as testing is complete and all relevant documents are received. Notifications will happen in a timely manner. In the event the class is full, the applicants are placed on the school's "wait list".
- **All students are required to submit a completed Child & Adolescent Health Examination (CH-205) Form along with proof of immunizations, which should indicate a recent test for tuberculosis and a recent flu vaccine. All medical forms must be submitted at the time of admission; without this form the student will not be allowed to attend class.**
- Deposits are due upon acceptance. The first payment & fees must be paid **before** a student can attend class.
- Tuition & Fees apply to the child's seat in class and not based on month-to-month attendance. **If a child is discharged for any reason after December 31st of that school year, the family is still responsible for the full tuition payment.**
